

Meghan Cabrera

Name: Meghan Cabrera

Hometown: Bitburg, Germany

School: New Mexico State University

Major: Wildlife Science

Exp. Graduation Date: December 2018

Email: meghan42@nmsu.edu

About Yourself:

I love the outdoors and all wildlife! I want to become a wildlife biologist and research declining species to help restore and maintain our ecosystem. I am never bored doing field work and enjoy every minute! I love to volunteer for different projects and get experience with as many different species as I can. Every day is something new and exciting and I couldn't be happier with my career choice!

Career Experiences:

- Field technician
- Quail banding / collaring
- Wolf capture
- Duck banding
- Nest monitoring
- Telemetry
- Chronic wasting disease checkpoints
- Fish surveys
- Sandhill crane checkpoints
- Mule deer capture

Plans after Graduation:

I plan to obtain a full time career in the field of wildlife biology. I would love to work for the Forest Service or any other agency who employs wildlife biologists and be able to research declining or troubled species.

Skills:

- Telemetry
- GPS navigation / compass
- Photography
- Photoshop
- Lightroom
- Excel

Accomplishments/ Clubs/ other:

- The Wildlife Society
- ACES restricted scholarship
- Dean's list
