

Grace Igwe

Name: Grace Igwe

Hometown: Rio Rancho, NM

School: New Mexico State University

Major: Mechanical Engineering, Environmental Science

Exp. Graduation Date: May 2021

Email: igwe2015@nmsu.edu

About Yourself: I am a junior who plans to combine my two degrees and promote sustainable engineering. My interests include traveling and volunteering, and I hope to use my education to help communities across the globe.

Career Experiences:

Field Technician, Kirtland Air Force Base, Albuquerque NM – collected and managed data from burrowing owl surveys

Researcher and Volunteer, Appleton-Whittell Research Ranch, Elgin AZ – created research project conducting prey abundance survey between native and nonnative grasslands

Plans after Graduation: Get a job with the federal government in conservation and/or engineering, or join peace corps and use my education in a volunteer-setting.

Skills:

Microsoft Word, PowerPoint, Excel

Written communication

Accomplishments/ Clubs/ other:

College of Engineering Dean's List

Crimson Scholar

SAE Baja Electronic Group Member
