About Yourself:

I'm from a small village outside of Taos, NM where my family has been since the 1780's. I am a first generation college student and love the outdoors. That is why I am studying Forestry here at NMHU.

Career Experiences:

I've worked with the Forest Service the last 5 summers fighting fire in vast ecosystems throughout the Western U.S. and had three different home locations. My first two seasons I worked here on the Carson National Forest, my third on the Black Hills National Forest in South Dakota, and the last two season on the Tonto National Forest in Arizona. I've had a ton of experiences and met some awesome people along the way.

Plans after Graduation:

Try and become a Conservation Officer with the New Mexico Department of Game and Fish.

Skills:

Hunting, Fishing, Construction, Framing, Heavy Equipment Operating, and good communication skills to name a few.

Accomplishments/ Clubs/ other:

- NMHU Forestry Club member
- NRCT member
