

# Max Villa

Name: Max Villa

Hometown: Espanola, NM

School: Northern New Mexico College

Major: Environmental Science

Graduation Date: December 2017

Email: Max.r.villa12@gmail.com

## About Yourself:

I was born and raised in Espanola Valley, NM with a love for agriculture and the great outdoors. Much of my youth experiences included spending time with family in outdoor gardens and alfalfa fields. Hunting and fishing was also a great part of my upbringing. Much of my surroundings led me to earn a bachelor's degree in Environmental science.

## Career Experiences:

NRCS experiences include the collection and analyzing of soil samples. The use of GPS/GIS and cartography as well as Grass and weed identification.

Laboratory experiences include water and wastewater sampling and analysis, performing calibrations on various desktop and handheld meters used to determine levels of PH, chlorine, ammonia, dissolved oxygen, Etc.

## Plans after Graduation:

Join the workforce and apply the knowledge I have gained to better help and advance my surrounding community and community members. I want to be an asset to my community as well as the people around me.

## Skills:

- Leadership experience
- Group communication skills
- Adaptability
- Self/group motivation

## Accomplishments/ Clubs/ other:

- Received a bachelor's degree in Environmental Science.
- NRCS Earth Team Volunteer
- Southwest Natural Resources Career Tracks Program
